

Location

The Department of Food Technology, Engineering and Science is located in the **Campus of the School of Agrifood and Forestry, Engineering and Veterinary Medicine (ETSEAFIV)**, belonging to the University of Lleida. Specifically, its facilities are placed in **Building 2**, where labs and offices for all its staff can be found. Nevertheless, professors from the Food Tech Department teach as well in other campuses of the University of Lleida, such as Campus of Capped (Polytechnic School) or Campus of Health Sciences (Faculty of Medicine).
